NEWS

I would like to congratulate our students on their participation in remote learning. It is of course different to learning at school, but it has been great to see the effort our students have been putting into their learning on Seesaw.

Our junior students are enjoying reading some of our new books and our seniors have posted some super work on Seesaw. Mrs Tuaine's class posted some great responses to their Respectful Relationships topic today and Mr Smith's class have been working hard on their Essential Assessment this week.

Thanks again to our parents who are doing a super job balancing work and remote learning – you really are super heroes.

Stay safe, keep smiling and have a great weekend!
