Term 3 Week 7

## NEWS

We are getting closer to the end of term, with only three weeks to go!

Hopefully our lives will start to look more normal soon.

It has been great to see our students still engaging with their learning via Seesaw, video meetings and keeping up with their daily reading. Keep up the great work.

The Student Attitudes to School Survey is conducted every year for students in Grades 4 to 6. In 'normal' times, students complete the confidential survey independently at school. Obviously this year is a bit different and we are asking students to complete the survey at home. A parent information letter has been posted to Compass and parents should have received an email with their child's login details.

Keep smiling stay safe and have a great weekend!

Anthony Tait

Thanks to everyone for their continued support during remote learning 2.0. Thanks to everyone who keeps showing up each and every to get the job done. Whilst it's not an ideal situation we will continue to make the best of it and support each

other as best we can.

The students are wrapping up their units on procedural texts and chance and data this week. Next week we will be moving on to information reports and shapes.

Just remember that it is what we do when no one is watching that is important.

**Important: Mr Smith will be at school on Monday 31st August from 9:30am-3:00pm for students to come and collect their new work booklets for maths. I will be up in my classroom. Students will need these booklets to complete upcoming maths tasks.**

## Important Dates:

2020

18 September

Last Day T3

**IT'S NOT OK  
TO BE AWAY**

Please contact the school every day your child is away.

Phone: 5332 6317

Email: see above

On the Compass Portal

If you have any questions or concerns please call the office first before coming in. If you need to come in we will guide you in what to do.

## Coronavirus: How to stay safe and well

### What you need to keep doing:

- Practise good hygiene.
- Maintain physical distancing, keep at least 1.5 metres away from others.
- Understand the risk and symptoms.
- Help continue to slow the spread of coronavirus (COVID-19) by getting tested, even if you have mild symptoms.
- Stay home and avoid contact if you're feeling unwell.
- Take care wherever you go, assume others may be carrying the virus.
