Term 2 Week 9

I would like to thank all of our parent helpers who have assisted over the last term in the garden and grounds, transporting children to sport events and managing the Stingers Soccer teams. Thanks also to parents for your feedback to help improve our school.

Next week is the last week of term and we have swimming lessons every day. Students will need to bring their bathers, towel and bag (for wet clothes) each day. Goggles and swimming cap can also be packed with your child if required. Please make sure all of your child's belongings and clothes have their name on them.

School finishes at 3:30 pm next Friday 25th June. On that day we will hold a Pizza Lunch Reward Day for students, when they return from swimming lessons.

If you require vacation care, please contact Heather Robinson at Club 1878 as early as possible on 0467 187 817.

Enjoy the weekend!

Anthony Tait

Well done Jr Studio on all your hard work this week. We have completed all assessments in preparation for reports and planning for term 3. Outstanding!!!!

We are so excited that swimming will be going ahead next week!!!! All students will need their bathers, a towel, goggles are optional and a bag to put their wet clothes back into.

Something special will be happening next term, our Foundation students will be celebrating their First 100 days of school. More details on the date to come next week and how we will be celebrating this special achievement.

Have a wonderful weekend Jr Studio, we will see you next week.

Mrs Attard and Miss D 😊

We have had another busy week finishing off assessments and squeezing in some fun activities! We have begun creating an 'athlete village' in inquiry, in preparation for the Olympics next term. The students have thoroughly enjoyed beginning this project, and have been finding some innovative ways to make their villages sustainable, as well as meet the athletes needs. Today we made some cookies for some real life learning of using fractions. Yum!

Well done to our student of the week this week, Bailey! Bailey has been working incredibly hard on his learning. His determination and growth mindset has had outstanding results in his growth 🧠 He has also been taking more pride in his work, particularly showing improvements in his handwriting. Well done Bailey!

Club 1878 is taking a different attitude to programming this Vacation Care. Due to COVID-19 and the impact of children's wellbeing, Club1878 will take the line of allowing children in attendance on each day of selecting up to four activities to engage with during the session. Once selected, the educators will set up areas in the room – taking into consideration social distancing and safe measures advising children of the time each activity will be presented. Families need to be aware, and take into consideration, the possibility that not all resources are guaranteed to be available for every session; resources are subject to availability and demand

We are raising money to continue upgrading our grounds.

We are collecting any brand of bread bags, including the tags!

A poster for a recycling campaign. At the top, it says "Help us turn BREAD BAGS into SCHOOL PLAY EQUIPMENT" in large, bold letters. To the right, a circular badge says "COLLECTIONS CLOSE AT THE END OF TERM!". A girl in a blue checkered dress stands on a seesaw, holding a red apple. Below her are two Wonder bread bags. A pink speech bubble says "Did you know Our school is now in the draw to WIN 1 of 5 exercise circuits made from the soft plastic we collect!". A white box with a black border says "Extended until 16th July". At the bottom, it says "BRING IN YOUR BAGS BEFORE JUNE 25TH!" and "Tag Wonder on social #wonderrecycling to share all your recycling champion stories!". The Wonder logo is at the bottom right.

COLLECTIONS CLOSE AT THE END OF TERM!

Extended until 16th July

Our school is taking part in the Wonder Recycling Rewards campaign this term

Help us collect bread bags so we can earn points to redeem on new RHSports equipment.

It's simple! All you need to do is keep your empty bread bags and send them to school with your kids! We will then place them in Wonder's pink collection box and post them off to be recycled. The more we collect the more points our school earns!

Collections close 25th June.

Tip for collecting:
Use one empty bread bag to collect a bunch of other bags.
