 Term 3 Week 9

## Principal News:

I would like to welcome our Prep, Grade 1 and Grade 2 students back to school today. They were all very excited to see their friends again! Each week I have been impressed by the effort our students have been putting into their learning. Their resilience and ability to adapt to changing circumstances is amazing! An update regarding Senior Camp will be sent home via Compass on Tuesday. The camp is still planned for November 8<sup>th</sup> to November 10<sup>th</sup>. We will hold an assembly on Zoom on Monday at 9:30am. I hope to see everyone there. Have a great weekend!

Although it may still be cold, Victoria's UV levels are on the rise so please check the daily local sun protection times to see when you need to be SunSmart. The sun protection times are a forecast from the Bureau of Meteorology for the time of day UV levels are forecast to reach 3 or higher in you location. At these levels, sun protection (hat, clothing, sunscreen, shade and, if practical, sunglasses) is recommended for all skin types.

**FYI, today is a cloudy and cool day but the UV index forecast for Little Bendigo is 4.**

Another week done and dusted of remote learning and all the students in Blue Gums have been doing a great job at using their resilience and persistence when completing the daily activities and contributing to small group and whole class live teaching lessons. This week we have been learning about probability and data representation and interpretation in math and have had a focus on reading with accuracy practising with tongue twisters. In writing we have been working on using the writing, editing, up leveling, and publishing a big write where the students have been using the skills we have been learning about in writing to add detail in and engage the reader.

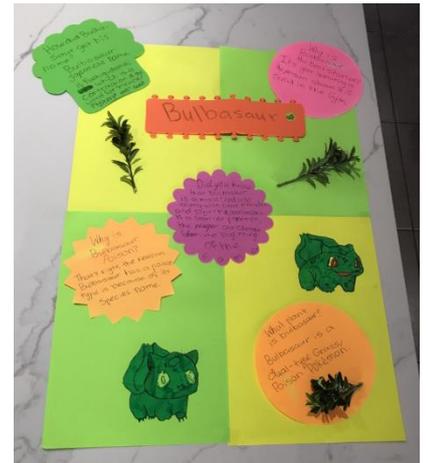

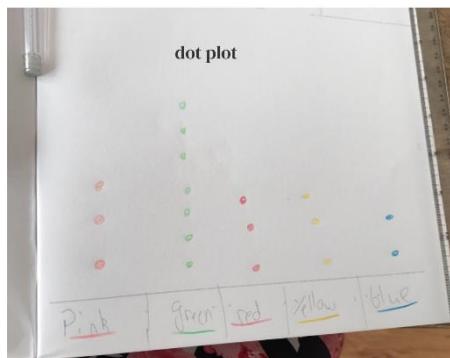

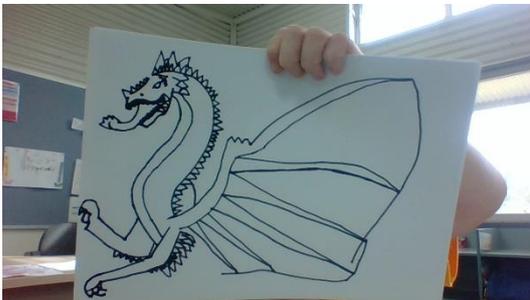

This week in the Blue Gums classroom I would like to so thank you to Hanna and Fox.

Congratulations to Hanna for putting in a rockstar amount of effort in reading the tongue twisters and developing her accuracy and fluency when reading.

Congratulations to Fox for persevering in math when working on developing his understanding of the four processes and challenging himself to extend and improve his big write.

Have a great week end!

Miss Burns 😊
