Term 2 Week 4

One Week until Book Fair

Ahoy there!

Book Fair is coming on Monday 29th May until Tuesday 13th June. There will be a great range of books and novelties to choose from. All proceeds will go towards new books for the library.

And we are holding a **pirate themed competition!**

Students can choose between a colouring-in pirate ship picture and a page to write a swash-buckling adventure story. Students can enter more than once and can also choose to enter both formats. Extra copies of pictures are in their classroom and in the newsfeed on Compass.

Completed entries are due to Michelle by end of school on **Wednesday 31st May**. There will be two winners from each class who will receive a **\$10 voucher to spend at the Book Fair**.

Any questions, please see Michelle in the office.

Wathaurung District Footy Teams.

Our boys and girls teams competed very well against much bigger opponents. The boys won 1 out of 3 but were very competitive in their 2 losses while the girls won 1 of their 2 games. For all that attended, it was great to see how well our students came together as a team

Today's PE class – Boot Camp!

This week in Design and digital technology:

Science and Stem:

This term in Science and STEM we are learning about different types of forces. Students enjoyed exploring using different applied forces in STEM and using muscular forces to move objects in everyday life. In Science students also explored how magnets N S poles worked to either attract or repel each other. Magnet Mazes we made and students had to use a magnet and paper clip to make it through the maze. Here are some happy snaps from our fun today 😊
