Term 3 Week 4

Congratulations to Hanna, Chance and Jude for being awarded \$2,000 from Blue Light Victoria – DASH program to help bring their community project to fruition!

Next Thursday and Friday our Grade 5 students (and Miss Finch) are heading to the Ragged School at Sovereign Hill. This is a great program allowing students to live the goldfields school experience.

Our footy clinic was great fun this morning. It ran a bit shorter than expected, but our students and staff braved the cold winds, some rain and even sleet at one stage!

Thanks to Miss Burns wonderful class presenters at assembly today. Presenting at assembly helps build students confidence and public speaking skills, and it is great to hear about their learning journey and successes in their own words.

Enjoy the weekend!

Anthony Tait

Well done to Han, Jude and Chance for taking out the DASH competition. They will receive \$2000 towards their community project: The Welcoming Project. Their idea is to make welcoming packs for our school community, so that new students and families will feel included and welcomed to LBPS.

We look forward to watching their idea come to life this semester with Ollie from the DASH programs assistance.

Important Dates:

TERM 3:

Thurs/Fri 10/11 Aug
5/6 Ragged School
Sovereign Hill

Fri 1 Sept
Fathers Day Stall

Mon-Wed 4-6 Sept
3-6 Camp

Mon 4 Sept
P-1 Zoo Day

**IT'S NOT OK
TO BE AWAY**

Please contact the school every day your child is away.

On the Compass Portal
Phone: 5332 6317
Email: see above

Our friends from Ecolinc visited on Monday and the Grades 5s & 6s were given some native plants to put into our gardens. We now have a new garden space behind Miss Burns classroom and they topped up the garden at the front gate. We encourage all students to put their school bags near the tyre seats when playing on the playground before and after school.

Junior Studio helped celebrate Foundation students first 100 days of school in Building our Minds Stronger with construction fun. Students participated in collaborative STEM and Math learning activities that built on their number awareness, problem solving, engineering, persistence and team work skills. Here are some happy snaps from our day 😊

Morning Fitness Club

Every Tuesday and Thursday morning at 8:40am Mrs A will be running morning fitness up on the oval.

Morning Fitness club is open for all students, parents and families. I look forward to seeing you all Tuesday morning.

Mrs A 😊
