Term 3 Week 4

Our Grade 5 students and Miss Finch had an awesome time at the Ragged School at Sovereign Hill yesterday and today. They learnt about the life of school students in the gold rush era, about the old trades of the time and made new friends from Glen Park, Mt Egerton and Lal Lal Primary Schools.

Next Monday staff from Woodman's Hill Secondary College are visiting our Grade 6 students to commence transition to Year 7 activities.

The following week on Tuesday 22<sup>nd</sup> August we are holding a Book Week Dress Up Day and students are encouraged to come to school dressed as a favourite book character. Then on Friday 25<sup>th</sup> August we are holding a Science Day to recognise National Science Week. This will be an interesting and fun day exploring science through a series of activities.

Enjoy the weekend!

Junior studio is very excited for something very special happening next week..... As part of our Science Unit this term on Staying Alive to explore the things humans and animals need to survive. Our studio will be welcoming pet fish to our room. Students will care for the fish, explore testing the water quality to ensure their environment is suitable for them to live, feed them appropriately on a rotating roster, assist in 2 weekly 50% water changes, every 8 weeks a complete water change and of course name our little friends. Watch this pace for some happy snaps of our new friends!!

We hope you have a wonderful weekend Junior Studio Families and don't forget to say hi Monday morning and give staff a high-five!!!

Miss D and Miss Burns 😊

My name is Shelley and I am the sports coach at YNGFITkids. I believe in making sports a fun and engaging experience for all young children.

We have a sports program for children aged 1.5 - 5 years old. It focuses on developing their motor skills, coordination, and social skills through a variety of games and activities.

It consists of a range of fun activities that are specifically designed to enhance the physical and social development of toddlers. Every 2 weeks, we play a different sport! Those sports include:

- 🏀 Basketball
- 🎾 Tennis
- 🏏 Cricket
- ⚽ Soccer
- 🏈 AFL Footy

Running and jumping, throwing and catching, each activity is tailored to suit the abilities of young children. It will help them develop their hand-eye coordination and gross motor skills.

Located at North Ballarat/ Mars Stadium - We have a limited **FREE TRIAL** offer for all new families.
