Term 1, Week 9

FAMILY FUN NIGHT

A massive thank you to all the parents, family and friends who attended our annual Family Fun night. Your attendance made it so much more special for the students as they got to share their stalls and learning with you all. A huge congratulations to all the grade 3-6 students for all their dedication to organising fliers, posters and shift timetables for the night. It was fantastic to see the students applying their money skills of exchanging and adding money amounts and discussing items from their stall with their customers. It was also wonderful to see the students helping other stall holders out when they needed help, great co-operation and teamwork! A MASSIVE thankyou to all people who donated to the bake sale and Easter raffle stalls. At the present we do not know how much has been raised but we will let you know early next term. Well done to our winner of the Easter raffle, Riley Williamson.

Well done to the Mountain Ash studio for all your dedication and perseverance this term. I wish everyone a safe and happy holiday and look forward to another hard working term.

BLUE GUMS NEWS

Thank you to all of the Blue Gum students for a magnificent term. We have achieved so much and have come such a long way in a very short period of time. This week students have been finishing off pending tasks and enjoying easter egg hunts, easter cards and easter bonnets. We have learnt about angles in mathematics and I urge parents to ask your kids about angles you might see in the environment (obtuse, acute, right angles).

Thanks

Mr Brown
